MYLO X. MONTALVO, DEPUTY SECRETARY

NOVA MONTALVO, SECRETARY

## **PUBLIC NOTICE: 12-PB2025**

### *CHANGING PARTY AFFILIATION*

We have grown weary and tired of a lack of change from Democrats and a rise to dangerous far-left ideology. The Office of Personal Prosperity has approved a request from the Ministry of Foreign Affairs to recind the political party affiliation from the Democratic Party to Unaffiliated.

The two party's for too long have grown deeply divided, leading to increased political threats and a rise in fear for the future of our beloved nation. The Kansas Democrats have been extremely ineffective in growing a coalition and have been weak in publicly denouncing elected members who continue to halt the passage of laws we believe in.

Their ineffectiveness and antiquated techniques have resulted in our change to unaffiliation. There has also been a growing rise in far-left ideology, which is not something we are favorable towards. We may announce at a later point in time our approval for a party affiliation. We are continuing to monitor the local political situations.

Thank you.
